(FOURTH DISTRICT) (3 VOTES)**

SUBJECT

This recommendation is for a five-year lease amendment for 8,106 rentable square feet for the Public Defender to provide continued use of existing office space and 27 parking spaces.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Find that the proposed amendment is categorically exempt from the provisions of the California Environmental Quality Act pursuant to Class 1 of the Environmental Document Reporting Procedures and Guidelines adopted by your Board, per Section 15301 of the State of California Environmental Quality Act Guidelines (Existing Facilities).
2. Approve and instruct the Chair to sign the five-year amendment with Omnis International, LLC (Lessor) for the continued occupancy of 8,106 rentable square feet of office located at 3655 Torrance Boulevard, Torrance, and 27 parking spaces for the Public Defender at an annual rental cost of \$170,226. The rental costs are net County cost.
3. Authorize the Chief Executive Officer and the Public Defender to implement the project. The lease amendment will be effective upon approval by your Board.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The proposed agreement will allow the Public Defender (PD) to continue its operation of the Torrance branch office for an additional five years. The PD has occupied this facility since December 1989. The current lease expired on April 11, 2010, and is currently on a month-to-month holdover basis.

The office houses approximately 34 attorneys, investigators and clerical staff who provide direct legal services and counsel to indigent persons summoned for court proceedings at the nearby Torrance Courthouse.

Implementation of Strategic Plan Goals

The Countywide Strategic Plan directs that we improve operations and processes to increase effectiveness, enhance customer service and support responsive County of Los Angeles (County) operations (Goal 1). In this case, the lease amendment supports this goal with a suitably located office with appropriate workspace for the PD as further outlined in Attachment A.

FISCAL IMPACT/FINANCING

The proposed extension will provide PD uninterrupted use of 8,106 square feet of office space and 27 parking spaces at the current monthly rent of approximately \$14,185 per month, or \$170,226 annually, fixed for the remaining term of the lease. In addition, a base tenant improvement allowance of \$7 per square foot, or \$56,742, was negotiated for new carpet and paint within the County's office space.

Parking (included)	27	27	None
Option to Renew	None	None	None
Rental Adjustment	None	None	None

This is a full-service lease whereby the Lessor is responsible for all operating costs associated with the County's occupancy. The rental rate of \$1.75/\$21 per square foot per month/year will be fixed through the extended term of the lease. Parking is included in the rental rate.

Sufficient funding for the proposed lease costs is included in the 2010-11 Rent Expense budget and will be billed back to PD. PD has sufficient funding in its 2010-11 operating budget to cover the projected lease costs.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The proposed lease amendment contains the following provisions:

- Commencement of five-year term upon approval by your Board.
- A full-service gross basis with the Lessor responsible for all operating and maintenance costs.
- A TI allowance of seven dollars per square foot for new carpet and paint included in the rent.
- A cancellation provision allowing the County to cancel any time after 30 months with 90 days prior written notice and payment of a cancellation fee equal to the unamortized balance of the TI costs.

The Chief Executive Office (CEO) Real Estate staff conducted a survey within the search area to determine the availability of comparable and more economical sites. Staff was unable to identify any sites in the surveyed area that could accommodate this requirement more economically, nor are there any County-owned or leased facilities available for this program. Based upon said survey, staff has established that the rental range for similar office space is between \$21 and \$30 per square foot per year on a full-service gross basis. Thus, the annual rent of \$21 per square foot per year full-service, including parking, for the proposed lease represents a rate within the market range for the area. Attachment B shows County-owned or leased facilities in the proximity of the service area and there are no suitable County-owned or leased facilities available for the program.

The Office of Affirmative Action Compliance (OAAC) has inspected the leased premises and related common areas to assess Americans with Disabilities Act (ADA) accessibility compliance. A report identifying barriers to accessibility has been completed by the OAAC and provided to the CEO and PD. Pursuant to the report, the CEO, PD, and the Lessor are engaged in a collaborative effort to address the removal of barriers to improve accessibility to programs, services, and activities.

The Department of Public Works has inspected this facility and found it suitable for the County's occupancy. Notification letters have been sent pursuant to Government Code Sections 25351 and 65402.

ENVIRONMENTAL DOCUMENTATION

The CEO has concluded that this project is exempt from California Environmental Quality Act (CEQA) as specified in Class 1 of the Environmental Document Reporting Procedures and Guidelines adopted by your Board, and Section 15301 of the State CEQA Guidelines (Existing Facilities).

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The proposed agreement will adequately provide the necessary office space for this County requirement. PD concurs with the proposed recommendation.
